Dear Sirs;

On August 16th, 2010, I was forced to serve a summons for a civil lawsuit upon your companies and upon you personally Mr. Whitacre (for negligence). The served complaint was received and served properly by all parties no later than mid September of 2010.

This lawsuit was filed in the Arizona Superior Court, County of Navajo Case No. CV201000316 and was subsequently transferred to US District Court, District of Arizona Case No.: 3:10-cv-08172-JWS said Amended Complaint and a Summons in a Civil Action were properly served upon each party. Yourself included...

It's been quite some time since you were "served the summons" and you have not responded. The time limit for a response is/was 30 days and you are well past that point. I intend to file a default pursuant to Fed. R. Civ. 55(b)(2), and Fed. R. Civ. P. 8(b) within 24 hours of your receipt of this letter.

Because you have refused to answer or respond to the complaint.

I had high expectations to become/operate a fellow automaker business which would not necessarily trump your failed company, but would have instead given the public another automobile maker to choose from and would have offered them a rival to the Detroit Three and the other automobile manufacturers.

1 February, 2011

Sincerely,

John Lewis Mealer
